If a player reaches through the basket from below and touches the ball, it is an interference (and not a simple violation) with all the relevant rule consequences.

Art. 36.1.4 Unsportsmanlike foul

The restricted areas shall be the floor rectangle areas marked on the playing court.

The restricted (three-second) area shall be a rectangle (not anymore a trapezoid) as per Diagram 1 below.

Art. 2.2.4 Three-point field goal area

The distance of the three-point line shall be 6,75 m (and not 6,25 m as present).

Art. 2.2.6 Throw-in side lines

The two (2) small lines shall be marked outside the court, on the opposite side of the scorer's table and the team bench areas, with the outer edge at the distance of 8,325 m from the inside edge of the end lines; in other words, level to the top of the three-point line.

During the last two (2) minutes of the game and of the extra period, following the time-out granted to the team that has been entitled to the possession of the ball from its backcourt, the subsequent throw-in will be taken on the opposite side of the scorer's table from the "throw-in side line" and not as presently from the centre line extended.

Art. 2.2.7 No-charge semicircles

The no-charge semicircles shall be marked on the playing court, under the baskets. The distance of the inner edge of the semicircles shall be 1,25 m from the centre of the basket (on the floor).

A charging (offensive) foul should never be called if the contact by the offensive player is with the defensive player standing within the no-charge semicircle.

Art. 29 Twenty-four seconds

If the throw-in is to be administered in the backcourt, if required by the respective rules, the 24 second device shall be reset to 24 seconds.

If the throw-in is to be administered in the frontcourt, if required by the respective rules, the 24-second device shall be reset as follows:

- If 14 seconds or more are displayed on the 24-second device at the time the game was stopped, the 24-second device shall not be reset and shall remain the same.
- If 13 seconds or less are displayed on the 24-second device at the time the game was stopped, the 24-second device shall be reset to 14 seconds.
